

Saint Paschal Baylon Catholic School
Summer Reinforcement and Enrichment Program

July 30th - August 10th

The summer program is offered to students who will be entering kindergarten through grade six and who would benefit from a program of maintenance and reinforcement of basic skills or a program of enrichment. The kindergarten program prepares students for the school environment and introduces them to their new classmates. Classes will be taught by certified teachers from Saint Paschal Baylon School.

Tuition

Tuition for the summer program is \$125.00 per class session. This fee includes instruction, all books, and supplies. There will be a discounted rate of \$100 per class for students who register for all 3 or 4 classes at their level. (3 classes= \$300, 4 classes = \$400). Please return this completed registration form and payment to your child's teacher no later than Friday, May 25th. A late fee of \$10.00 will be assessed for registration material returned after this date. In the event that a class is canceled for insufficient enrollment, a refund will be made for that class only. Otherwise, no refunds will be made.

Classes

Classes will be held Monday through Friday for two weeks. Grades listed are for the grade in which your child **will be entering next year**. Children/families who are new to our school are strongly encouraged to attend. We realize families may be on vacation for one of the two weeks. If you can only attend for 1 of the 2 weeks, please contact Mrs. Popelka at: mpopelka@saintpaschal.com for more information.
