Navigating the High School Application Process for Sixth and Seventh Grade Parents

Sixth and seventh grade parents are invited to an informational meeting and panel discussion entitled "Navigating the High School Application Process" on Tuesday, April 17 from 7:00-8:00 pm in the Eymard Room. For the first time, we are extending the invitation to sixth grade parents who may be interested in getting a jump start in the high school selection process. If you are thinking about a Catholic or independent high school for your child, you may want to attend this session that will briefly cover open houses, shadowing, applications, entrance exams, tutoring, and finances. There will be a short presentation followed by a panel discussion with current eighth grade parents sharing their experiences and knowledge of the process. We hope to see you there!

Creative Communications Poetry Awards

Saint Paschal Baylon Catholic School has some published poets! Thirty-five of our junior high students have won the Creative Communications Poetry Award for poems created in English class and submitted this past autumn. They have now been published in an anthology entitled A Celebration of Poets. In addition, Saint Paschal Baylon Catholic School has been recognized as receiving a Writing Achievement Award. With hundreds of schools entering from eleven states, only a small percent of these schools are honored with this award. Congrats to our creative writers!
