Victims of Hurricane Harvey

We continue to keep all of those affected by Hurricane Harvey in our thoughts and prayers. There will be a special second collection through Catholic Charities at the Masses on September 9 and 10 for our friends in Texas. It is also our hope to “adopt” the parish in Houston that is served by the Congregation of the Blessed Sacrament in the near future so that we can provide some much needed support to its parishioners. Please continue to pray for all the victims of this catastrophic disaster.

Gradelink App

Gradelink is our new student management system, and we hope you have had the opportunity to explore some of the features on the website at www.gradelink.com. We encourage you to download the mobile app which is a free and available through the iTunes App Store or Google Play. It is a convenient way to view a quick snapshot of your child’s academic performance. Please be aware that currently the app does not allow you to access the calendar feature; however, you still have the ability to view the calendar through the website.

Magazine Drive Kickoff

Look for information on our annual magazine drive in next week’s communication folder. Our kickoff begins on Thursday, September 14 with an assembly at 9:00 am. We hope that everyone can be a part of the drive either by purchasing or renewing magazines or by filling out the Reach Out booklet and returning it to school. We thank you for whatever way you can support this fundraiser.

Morning Arrival

Morning arrival has been going smoothly. However, a couple of reminders will be helpful.

- Students arriving by car are not permitted in the building until 7:40 a.m. Remember, if you need to drop off your child earlier, you can enroll him or her in the Before Care program.
- Make sure your child is ready to leave your car before you stop. If you need to take some time with him or her, park in the parking lot and walk your child over to the school. No child is permitted to walk across the parking lot on his/her own.
- Remember when children are exiting your car, all should exit on the passenger side for safety reasons.
- As you leave, please proceed to Blue Ribbon Way (exiting on Wilson Mills) only.
- Buses have the right of way. Please allow them down the driveway before your car. Often bus drivers will allow cars to go first, but never count on it!
- Give your child enough time to walk to his/her homeroom. As the weather changes, the car rider line becomes longer and time gets later. Develop the habit of getting here with many minutes to spare!
