

Financial Obligations by Classifications-Kindergarten to Grade 8

The full cost to educate a single student in the 2021-2022 year will be about **\$6,575**. The parish subsidizes the difference between the actual cost and the tuition paid. Our parish community makes the subsidy from the parish possible due to their generous support and participation in parish-wide events and fundraisers [i.e. A (Green K)NIGHT to Remember, Spring Fling, etc.]. Together we make this a vibrant community of faith.
