Dear SPB Parents and Guardians,

January 13, 2022

Saint Paschal Baylon Catholic School is committed to the safety and health of our students and staff. Part of this commitment includes the steps we take when we learn someone in our school community tests positive for COVID-19. Today we received notification that a student in eighth grade (8B) has tested positive. All close contacts have been notified.

Please note, the Ohio Department of Health issued revised K-12 School Quarantine Guidelines (December 30, 2021): [K-12 School Quarantine Alternative](#).

To keep cases to a minimum, please check your child for symptoms before coming to school each day. Additionally, if you or your child is experiencing symptoms of COVID-19:

- Review the [Coronavirus Self-Checker](#).
- Continue to keep your child at home from school and avoid other activities around other people.
- Notify the school.
- Seek medical care and testing for COVID-19 by contacting your family health care provider.

If you have questions or want more information about COVID-19, please visit coronavirus.ohio.gov or the Cuyahoga County Board of Health web site at [COVID-19 School Guidance](#). Thank you for supporting our efforts to keep our school community as safe and healthy as possible during this challenging time.

Sincerely,

Diane Raguz
Principal
